Service Agreement Benefits

A service agreement between you and MCM Air will help ensure equipment longevity, minimize unplanned service, and maximize equipment efficiency. When you sign up for this program, you will receive a furnace and/or air conditioner tune-up on a continual, annual basis. You will be automatically reenrolled in the program every year (unless notified).

Enrollment will entitle you to:

- A **20% discount** on all replaced parts and installation on maintained equipment (based on your selection—furnace, air conditioner, or both).
- A **10% discount** on all filter purchases if requested at the time of tune-up.

These discounts will continue for one year and will be automatically renewed at the time of your next tune-up.

Service Agreement Options
